Who am I?

Greetings! My name is Ms. Hall. I was born in the best state of in the United States, New Jersey. I was born into a small immediate family. I have one older sister and a younger brother. Since I am the middle child, I am very independent, I have strong leadership skills, and I am great listener.

I do a variety of things for fun. For instance, I like to go dancing, knit, play video games and watch sports. I also practice doing things like writing with both hands and sign language.

I currently admire Katherine Johnson and the other ladies that the movie Hidden Figures talks about. That movie and those ladies stories were truly inspiring.
