Causes of World War II: Formal Grade Project

Objective: How did Germany, Italy, and Japan change economically and politically due to the Great Depression?

Instructions: You will be divided into teams. Each team will be assigned a country that was involved in World War II. You are responsible for researching and identifying how these countries politically and economically changed after World War I. You are determining the actions they took and how this led to another World War.

Requirements:

- Each team will read the assigned passage to analyze changes made after WWI.
- Each team will answer all the provided pulse check questions within their presentation.
- Each team will create a presentation. This can be Google Slides, Prezi, or PowerPoint.
  - Information should be in chronological order not by question topic.
  - Presentations must have at least **three** slides and **one** picture per slide
    - The title page with topic and names does not count in the total number of slides
    - Information and pictures used should be cited on Works Cited Page
- Each team will present their presentation to the class on Tuesday or Wednesday.
- Each person will grade the presentations of their peers using the grading rubric given.

Goal: Have a better understanding of Europe prior to World War II.
