Ms. Hall's SMART GOALS

1.

I will have students following procedures more than 75% of the time by the end of December. I'll reach my goal by reviewing procedures, reward students following procedures, and remind students of what the procedures are.

2.

I will have at least 50% of my students passing with a C or better by the end of December 14. I'll reach this goal by reminding students of work, reviewing vocabulary more, and creating opportunities for more hands on activities.
