Ms. Hall's SMART GOALS

1.

I will have students following procedures more than 77% of the time by 3/15/19. I'll reach my goal by reviewing procedures, reward students following procedures, and remind students of what the procedures are.

2.

I will have at least 50% of my students passing with a C or better by 3/12/19. I'll reach this goal by reminding students of work, reviewing vocabulary more, and creating opportunities for more hands on activities.

Legacy of the Reformation

The Reformation had an enduring impact.

It ended the Christian unity of Europe and left it culturally divided. Despite religious wars and persecutions, Protestant churches flourished and new denominations developed. The Roman Catholic Church itself became more unified as a result of the reforms started at the Council of Trent. Both Catholics and Protestants gave more emphasis to the role of education in promoting their beliefs. This led to the founding of parish schools and new colleges and universities throughout Europe.

Individual monarchs and states gained power. This led to the development of modern nation-states. In the 1600s, rulers of nation states would seek more power for themselves and their countries through warfare, exploration, and expansion. The Reformation's questioning of beliefs and authority also laid the groundwork for the Enlightenment.
