

# Happy Women's History Month!

1. Table of Contents: Midterm / Age of Revolutions

2. **If you were absent, find your work in the absent bin.**

Si estuviste ausente, encuentra tu trabajo en el contenedor ausente.

3. Take out your Rubric and Notes

4. Read the quote and answer the question below.

**Do you agree or disagree? Why or Why not?**

**By failing to prepare, you  
are preparing to fail.**

Benjamin Franklin

"Al no prepararte,  
te estás  
preparando para  
fallar".

# Research to Presentation

Today you should finish your research and your particular slides of information.

Hoy debes terminar tu investigación y tus diapositivas particulares de información.

You should be ready to collaborate with your peers to create one final project.

Debes estar listo para colaborar con tus compañeros para crear un proyecto final.

Decide on a Presentation or a Prezi and the pictures that will be on your slides.

Elija una presentación o un Prezi y las imágenes que aparecerán en sus diapositivas.

With your partners you should create your own pulse check questions or guided notes. The questions will be provided to your peers so that they can follow along with your presentation.

Con sus compañeros, debe crear sus propias preguntas de control de pulso o notas guiadas. Las preguntas se proporcionarán a sus compañeros para que puedan seguir con su presentación.

I would recommend having one Pulse Check Question per slide and then trimming them to what is the most important information.

Recomendaría tener una Pregunta de verificación de pulso por diapositiva y luego recortarlas a la información más importante.

I have examples of both of these.

Tengo ejemplos de ambos.

# Flashcards

Effective flashcards have combine pictures and words to describe each vocabulary word while writing the definition on the back.

1. Draw your view of the vocabulary word on one side
2. Write the definition on the other side of the same card.
3. One vocabulary word per card
4. Answer yourself verbally and use the cards both ways.
