1. During the early European feudal period, subsistence agriculture and economic self sufficiency are most commonly associated with the...

- Manorial system
- Protestant Reformation
- Introduction of wheeled vehicles
- Commercial Revolution

2. Use the quotation to answer the question.

... I mention all these details, which I remember so clearly, in order [to] give a sense of the shock that we suffered when The Wall came upon us one night. There we were in Berlin, at the crossroads between East and West, at the juncture of two fundamentally different cultures, and suddenly we were locked up like canaries in a cage. Literally from one day to the next, from being a vibrant and cultured city, Berlin subsided into the drowsy torpor [dullness] of a midsummer afternoon in the provinces. We were imprisoned in a dull, flat country. . . .

The historical event reflected in this passage symbolized the ideological tensions between

- Church and state
- Absolute monarchy and fascism
- the Axis powers and the Allied powers
- Democracy and communism

Flashcards

Effective flashcards have combine pictures and words to describe each vocabulary word while writing the definition on the back.

1. Draw your view of the vocabulary word on one side
2. Write the definition on the other side of the same card.
3. One vocabulary word per card
4. Answer yourself verbally and use the cards both ways.
