1. Why did the United States involve itself militarily in Korea and Vietnam in the 1950s and 1960s?

American businesses in Asia were being threatened by foreign trade.

The American people demanded that we spread democracy in Asia.

Because of the domino theory, the US felt military support was necessary to contain communism.

President Johnson planned to create an American empire to gain new markets for trade.

2. The European Union (EU) is a partnership between 27 European countries with the euro as its common currency. Increased economic activity across the continent had strengthened the European Union's ability to trade on a global scale.

Which factor contributed to this organization's economic success in the late 20th century?

the formation of a single internal market

the relief provided to developing nations

the promotion of human rights

the legal regulations among members

Flashcards

Effective flashcards have combine pictures and words to describe each vocabulary word while writing the definition on the back.

1. Draw your view of the vocabulary word on one side
2. Write the definition on the other side of the same card.
3. One vocabulary word per card
4. Answer yourself verbally and use the cards both ways.

Study Strategies!

- Go to <https://crosswordlabs.com/>
- Go through your packet of notes
- Create a TWENTY clue crossword
- Use vocabulary and proper nouns
- Save and email to a peer for a great review!

- Write the main historical events of the day on individual flash cards.
- Place the date on one side and the event on the other.
- Mix up the cards with the event facing you
- Put the cards in chronological order without looking at the dates
