| 6. Mandate of Heaven | 13. Polytheism            | 20. Eightfold Path   |
| 7. Code of Hammurabi | 14. Four Noble Truths     | 21. Ten Commandments |

#### Essential Questions:

1. What do the Fertile Crescent/Mesopotamia, Ancient Egypt, the Indus River Valley, and Ancient China have in common?
2. How would you describe the Mandate of Heaven?
3. What did rivers provide to early civilizations?
4. What is the importance and purpose of the Code of Hammurabi?
5. What are the major contributions and/or achievements from the river valley civilizations?
6. What are the five major religions? [Founder, Text, Beliefs, Goals, Origin]
7. How do the major religions compare to each other?
8. Why was writing important to ancient civilizations?
9. How would describe a caste system?

#### Helpful Tips:

- Reach out to your peers to discuss the material
- Flashcards, recording yourself reading your notes, and/or rewrite your notes in your own words.
- Create study games (Jeopardy, Kahoot, Heads Up, or Crosswords)
- Review videos and games posted at the end of slides posted on website
- Contact Ms. Hall if you have any questions!
