Test Correction Instructions

Directions: Fill in a row for **each question** that was incorrect on your test. You will provide your **justification, the correct answer, and the verification**. All responses must be legible and in **complete sentences** to earn a maximum of ½ of the missed points added to the original test score. Responses like "I don't know" or I guess" will not earn points. You will need to explain your thought process.

Question #	My Answer	Justification Why did you choose it?	Correct Answer	Verification What makes it correct?
26	D	I confused the Tigris and Euphrates rivers on the map.	B	The Euphrates river is on the west and Tigris river is on the east according to the notes from 9.4.

Question #	My Answer	Justification Why did you choose it?	Correct Answer	Verification What makes it correct?
